Ms. Trisha Osborne, Assistant Commission Secretary  
Public Utilities Commission of Nevada  
Capitol Plaza  
1150 East William Street  
Carson City, Nevada 89701-3109

RE: Docket No. 18-06003 - Joint application of Nevada Power Company d/b/a NV Energy and Sierra Pacific Power Company d/b/a NV Energy for approval of their 2019-2038 Triennial Integrated Resource Plan and 2019-2021 Energy Supply Plan.

Dear Ms. Osborne:

Nevada Power Company d/b/a NV Energy and Sierra Pacific Power Company d/b/a NV Energy (the "Companies") hereby submits for filing the enclosed Stipulation signed by the Regulatory Operations Staff of the Public Utilities Commission of Nevada, the Office of the Attorney General's Bureau of Consumer Protection, Nevadans for Clean Affordable Reliable Energy, Sierra Club and Natural Resources Defense Council, and the Companies. The Stipulation constitutes a negotiated settlement between the signatories, which is entered into for the purpose of resolving all the issues raised by the signing parties in Phase II of the above mentioned docket.

Of the four other parties that were granted rights to participate in Phase II of this proceeding, the Stipulation reflects that three of those parties do not oppose it. The fourth, Smart Energy Alliance, has not indicated its position on the Stipulation as of the time of the filing of that document.

Should you have any questions regarding this filing, please contact me at 702-402-5697 or [dbrooks@nvenergy.com](mailto:dbrooks@nvenergy.com).

Sincerely,

/s/ Douglas Brooks  
Douglas Brooks  
Senior Attorney

**BEFORE THE PUBLIC UTILITIES COMMISSION OF NEVADA**

Joint application of Nevada Power Company d/b/a NV )  
Energy and Sierra Pacific Power Company d/b/a NV )  
Energy for approval of their 2019-2038 Triennial ) Docket No. 18-06003  
Integrated Resource Plan and 2019-2021 Energy )  
Supply Plan. /

---

**STIPULATION – PHASE II**

Pursuant to Nevada Administrative Code ("NAC") §§ 703.750 and 703.845, Nevada Power Company d/b/a/ NV Energy ("Nevada Power") and Sierra Pacific Power Company d/b/a NV Energy ("Sierra" and together with Nevada Power, the "Companies" or "NV Energy"), the Regulatory Operations Staff ("Staff") of the Public Utilities Commission of Nevada ("Commission"), the Office of the Attorney General's Bureau of Consumer Protection ("BCP"), Nevadans for Clean Affordable Reliable Energy ("NCARE"), and, jointly, the Sierra Club and the Natural Resources Defense Council ("NRDC"), each individually a "Signatory" and together the "Signatories", enter this Stipulation to resolve all issues related to the Companies' 2019-2021 Joint Demand Side Management Plan ("DSM Plan"), also known as Phase II of this Docket.

**SUMMARY OF STIPULATION**

The Signatories agree that this Stipulation provides a reasonable resolution of issues raised in Phase II and that the Stipulation is in the public interest.

The Stipulation only settles issues related to Phase II of this docket. The Stipulation only seeks relief that the Commission is empowered to grant. Accordingly, the Signatories recommend that the Commission accept the Stipulation, and grant certain requests for relief made by the Companies' in their DSM Plan.

**RECITALS**

1  
2           1.       On June 1, 2018, the Companies filed with the Commission an application  
3 requesting approval and acceptance of its 2019-2038 Triennial Integrated Resource Plan ("Joint  
4 IRP"), including the DSM Plan, for the period 2019-2021.

5           2.       The DSM Plan was made pursuant to the applicable provisions of the Nevada  
6 Revised Statutes ("NRS") and the NAC, Chapters 703 and 704, including but not limited to NAC  
7 §§ 704.934.

8           3.       On June 12, 2018, the Commission issued a Notice of Electric Utilities' Joint  
9 Integrated Resource Plan and Notice of Prehearing Conference.

10          4.       Pursuant to NRS §§ 703.301 and 228.360, Staff and the BCP participate in these  
11 proceedings as a matter of right.

12          5.       On July 2, 2018, NCARE filed a petition for leave to intervene ("PLTI").

13          6.       On July 3, 2018, Sierra Club and NRDC filed a joint PLTI.

14          7.       On July 5, 2018, Copper Mountain Solar 5, LLC ("Copper Mountain"); Dodge  
15 Flat Solar, LLC and Fish Springs Ranch Solar, LLC (collectively "NextEra"); Interwest Energy  
16 Alliance ("Interwest"); Northern Nevada Industrial Electric Users ("NNIEU"); Smart Energy  
17 Alliance ("SEA"); Vote Solar; and Wynn Las Vegas, LLC ("Wynn") filed PLTIs. The Southern  
18 Nevada Air Conditioning Refrigeration Service Contractors Association ("SNARSCA") filed  
19 comments.

20          8.       On July 9, 2018, the Presiding Officer held a prehearing conference, at which the  
21 Signatories discussed the PLTIs, procedural schedule and discovery procedures.

22          9.       On July 13, 2018, the Commission issued Procedural Order No. 1, which set the  
23 procedural schedule for this docket and designated the DSM Plan as Phase II.

1            10.    On July 18, 2018, the Commission issued an order granting the PLTIs for  
2 NCARE, Sierra Club and NRDC, Copper Mountain, NextEra, Interwest, NNIEU, SEA, Vote  
3 Solar and Wynn. The Commission's order provided for participation in all three phases of this  
4 Docket, including Phase II, to NCARE, SEA, Interwest, Vote Solar, and NNIEU. It limited the  
5 participation of Sierra Club and NRDC to Phases II and III, and limited participation to only  
6 Phase III for Copper Mountain, Next Era, and Wynn. Thus the parties entitled to participate in  
7 Phase II consist of Staff, BCP, NCARE, Sierra Club and NRDC, SEA, Interwest, Vote Solar,  
8 and NNIEU (“Phase II Parties”) The Signatories to this Stipulation are the only parties that filed  
9 testimony that address Phase II issues.

10           11.    The Signatories have investigated the DSM Plan, conducted analysis of the  
11 Companies' requests and agree to enter into the Stipulation.

12           12.    The Phase II Parties who are not signatories to this Stipulation were provided  
13 with the term sheet containing the agreement of the parties on October 3, 2018, and a copy of a  
14 final draft of the Stipulation on October 4, 2018, and had the opportunity to review the  
15 Stipulation, provide any comments or issues with the Stipulation, and determine if they would  
16 sign the Stipulation, not oppose the Stipulation or not agree to the Stipulation. Interwest, NNIEU  
17 and Vote Solar have respectively stated to the undersigned counsel for NV Energy that they do not  
18 oppose the Stipulation.

19           13.    This Stipulation resolves all issues related to Phase II of the above-referenced  
20 docket.

21           14.    If the Presiding Officer rejects this Stipulation, the Signatories shall proceed with  
22 full presentations of their cases and are not bound by the terms of this Stipulation.

23  
24  
25

1 NOW THEREFORE, in light of the foregoing considerations, the Signatories agree and  
2 recommend the following:

3 **AGREEMENT OF THE SIGNATORIES**

4 1. The Commission should accept and approve the Companies' Application for  
5 approval of their joint DSM Plan for the Action Plan period 2019 – 2021 filed in Docket No. 18-  
6 06003, except as modified by this Stipulation.

7 2. For **Nevada Power**, the Commission should accept and approve, subject to the  
8 modifications described below, the proposed budget levels for the Demand Side Management  
9 programs for the Action Plan period of 2019 – 2021 as set forth in Table DSM-2A found in  
10 Volume 6, page 11 of 339 of the Integrated Resource Plan filed on June 1, 2018. The revised  
11 budget levels supported by the Signatories are shown in Attachment 1. The exceptions are as  
12 follows:

- 13 a. Energy Education: Increase by \$100,000 in each year of the Action Plan period  
14 to increase the number of energy kits.
- 15 b. Energy Reports: Reduce by \$400,000 in each year of the Action Plan period.
- 16 c. Residential Lighting: Increase by \$100,000 in each year of the Action Plan  
17 period.
- 18 d. Commercial Services: Increase by \$200,000 in each year of the Action Plan  
19 period.

20 3. For **Sierra**, the Commission should accept and approve, subject to the  
21 modifications described below, the proposed budget levels for the Demand Side Management  
22 programs for the Action Plan period of 2019 – 2021 as set forth in Table DSM-2B found in  
23 Volume 6, page 12 of 339 of the Integrated Resource Plan filed on June 1, 2018. The revised  
24

1 budget levels supported by the Signatories are shown in Attachment 1. The exceptions are as  
2 follows:

- 3 a. Energy Education: Increase by \$75,000 in each year of the Action Plan period to  
4 increase the number of energy kits.
- 5 b. Energy Reports: Reduce by \$75,000 in 2019, \$175,000 in 2020 and \$275,000 in  
6 2021.
- 7 c. Residential Air Conditioning: Do not offer the program and eliminate the  
8 proposed budget of \$600,000 in 2019, \$500,000 in 2020 and \$500,000 in 2021.
- 9 d. Commercial Services: Increase by \$600,000 in 2019, \$600,000 in 2020 and  
10 \$700,000 in 2021.

11 4. The Signatories agree that Nevada Power and Sierra should implement the  
12 following modifications for the programs specified during the Action Plan period of 2019 –  
13 2021:

- 14 a. Energy Education (Nevada Power and Sierra):
  - 15 i. Measurement and Verification analysis and claimed energy savings will  
16 apply to energy kits only.
- 17 b. Pool Pumps (Nevada Power):
  - 18 i. Limit eligibility to customers that have not previously received a pool  
19 pump under the program, based on the honor system.
- 20 c. Low Income (Nevada Power and Sierra):
  - 21 i. Allow the installation of up to 20 LEDs in higher use lamp sockets with  
22 an average of 10 LEDs per home.
  - 23 ii. Track and report on low income participation in all approved programs to  
24 demonstrate at least 5% of the total budget is being dedicated to this effort.

- d. Program Development (Sierra):
    - i. Conduct a trial of Energy Star certified ductless mini-split heat pumps in new construction or for the replacement of electric resistance units to assess market demand and cost-effectiveness of this measure.
    - ii. If the Multi-Family program development trial that will be complete in 2019 is successful, NV Energy may submit the Multi-Family program as a stand-alone program to be implemented in 2020 or 2021 for review and approval by the Commission in an annual DSM Update Report.
  - e. Direct Install (Nevada Power and Sierra):
    - i. NV Energy will provide low cost low-flow shower heads and aerators as part of the direct install programs. These measures will be installed in homes with electric water heaters or the homes of Sierra gas customers. The Companies will look for joint funding sources to support the addition of these measures in homes with gas water heating by continuing discussions with Southwest Gas and the Las Vegas Valley Water District. Any joint funding must be approved in a future DSM Update Report filing.
5. The Signatories further agree that Nevada Power and Sierra shall implement the following additional items:
- a. NV Energy will commit to performing a new rate impact study similar to that filed by Nevada Power in its 2012 Integrated Resource Plan (Docket No. 12-06053). This study was conducted by Cadmus Group, Nevada Power filed

testimony in support of the rate impact study.<sup>1</sup> This study will be funded from the agreed upon overall budget.

- b. For Sierra’s common electric and natural gas programs, which are the programs administered jointly but reported on and funded separately (Energy Assessments, Energy Reports and Direct Install), Sierra will conduct measurement and verification analyses to determine both electric and natural gas savings. Cost-effectiveness analyses will be run both with combined budgets and savings and as a stand-alone electric or natural gas program, and will be reported in each annual filing.

**GENERAL PROVISIONS**

6. Neither this Stipulation, nor its terms, nor the Commission’s acceptance of the recommendations contained herein shall have any precedential effect in other proceedings before the Commission, a court of law, or any state or federal regulatory bodies for any purpose, nor shall it be deemed a waiver of any position or argument made by any signatory in any such proceedings. As such, nothing in this Stipulation shall be construed as limiting the ability of the Parties to make recommendations with respect to the Companies’ future DSM Annual Update Report filings.

7. In accordance with NAC § 703.845, this Stipulation settles only issues relating to the present proceedings and seeks relief that the Commission is empowered to grant.

8. This Stipulation is entered into for the purpose of resolving all the issues relating to Phase II of this Docket by and among the signatories as set forth above. This Stipulation is

---

<sup>1</sup> The study is discussed in Docket No. 12-06053, the DSM Plan, Vol. 7, pages 61 – 67 of 319; Haeri testimony in Volume 3; and an explanation of the study is found in DSM-5 in Volume 9.

1 made upon the express understanding that it constitutes a negotiated settlement. The provisions  
2 of this Stipulation are not severable.

3 9. This Stipulation represents a compromise of the positions of the Signatories. As  
4 such, conduct, statements and documents disclosed in the negotiation of this stipulation shall not  
5 be admissible as evidence in these Dockets or any other proceeding. Except as set forth herein,  
6 neither this Stipulation, nor its terms, nor the Commission's acceptance or rejection of the terms  
7 contained in this Stipulation shall have any precedential effect in future proceedings.

8 10. This Stipulation may be executed in one or more counterparts, all of which  
9 together shall constitute the original executed document. This Stipulation may be executed by  
10 Parties by electronic transmission, which signatures shall be as binding and effective as original  
11 signatures.
