Re: Record request

Ms. De Fazio:

Chapter 239 of the Nevada Revised Statutes (“NRS”), specifically NRS 239.0107(1), requires a governmental entity to respond to public records requests within five business days. Accordingly, the Public Utilities Commission of Nevada (“Commission”) responds to your February 14, 2019, request for “[c]opies of ALL job postings from December 1, 2018 thru February 14, 2019.”

Please find the attached records responsive to your request. Please be advised that, pursuant to NRS 239.0107(1)(b), if a governmental entity does not have legal custody or control of a particular record, the Commission must provide you with notice of that fact and also provide “the name and address of the governmental entity that has legal custody or control of the public book or record, if known.”

Accordingly, please be advised that the Commission only houses job postings related to unclassified openings. To the extent your request seeks all listings, including classified job postings, you will need to submit a separate record request with the State of Nevada’s Division of Human Resource Management (“DHRM”). The DHRM can be contacted with the information provided below:
