**NARUC Staff Subcommittee on Water:**

NARUC Winter Meetings

I attended the NARUC Winter Meetings in Washington, DC from February 13-17, 2016. At the Winter Meetings, in addition to the General Sessions, I attended the pipeline safety subcommittee meeting on February 14 and the Water Committee meetings February 15-16. Prior to the Winter Meetings, in my capacity as the Chair of the Staff Subcommittee on Water, I assisted in organizing the agenda of the Water Committee.

NAWC Staff Water Policy Forum

At the invitation of the National Association of Water Companies (NAWC), I attended the NAWC Staff Water Policy Forum from March 30-April 1, 2016 in Albuquerque, New Mexico. The Forum allowed for dialogue and an exchange of ideas between regulators, consumer representatives, and others regarding current water utility issues.

NARUC Utility Rate School

I attended the NARUC Utility Rate School in San Diego, California from May 22-27, 2016. I was a faculty member and assisted attendees with their completion of the mock rate case.

NARUC Summer Meetings

After the Winter Meetings, in my capacity as the Chair of the Staff Subcommittee on Water, I assisted in organizing the agenda of the Water Committee and Staff Subcommittee on Water in preparation for the Summer Meetings to be held July 14-17, 2016, in Nashville, Tennessee.
