revised  
statement  
approved +  
attached.

Dear Stephanie:

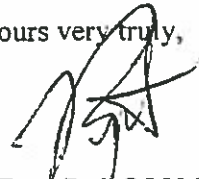

I appreciate your efforts in processing the contract for my firm to represent Ms. Tanner in the above-referenced litigation. I believe we have made substantial headway. We challenged Switch's first filed Complaint with a Motion to Dismiss accusing Switch of violating anti-slapp legislation. While that motion was pending, we also prepared an extensive Motion for Summary Judgment. We intended to file the Motion for Summary Judgment on the date that Ms. Tanner's answer was due to be filed.

Switch filed an Amended Complaint and changed lawyers. The Amended Complaint removed most of the offending language that was the subject of our anti-slapp Motion to Dismiss. However, the Motion for Summary Judgment still has relevance since we have transformed that motion into a Motion to Dismiss Switch's First Amended Complaint. A rough, unfiled copy of the Motion to Dismiss is submitted herewith.

Finally, I submit herewith our statements for legal services (Statement No. 1 and Statement No. 2). I am not sure whether PUCN pays this statement or whether we wait for Board of Examiner approval of the contract. In either event, I want to do all that I can to make sure that our statements are paid timely and certainly before the end of the year.

Should you have any questions or comments, please do not hesitate to contact me at your convenience.

Yours very truly,

KENT R. ROBISON
