So with all the money spent on 'security', you ELIMINATED the records of who shows up and gets to go into the actual office of an employee/commissioner?

That you have NO RECORD of what badge number the person is given in order to go past the locked door?

Something is not kosher!

Don't LIE TO ME!

You HAVE these sheets, they are ON THE receptionists counter that ALL visitors have to sign in on.

I had to sign on them multiple times I met with Alaina.
